Kevin,

Thanks for turning out last night! I'm sorry the legislative analyst stacked the cards against us and didn't call our names until the end – I definitely said something to him because it was beyond unfair that our cards were submitted before 6 and our names weren't called until after 9.

Nonetheless it's a pleasure to have you on board and your insight and experiences are incredibly valuable to our efforts. I'll keep in touch as the process moves forward, and please don't hesitate to reach out if you have any questions or concerns that I can bring up with our coalition leaders.

Have a great weekend!

Jess
